Mike -

I've been in contact with Mark and it looks like meeting at the site works best. I'm sure we can get Michael patched in as needed.

Mike -

I had a room set up to meet in City Hall so I'm not sure where Mark Ducharme will be tomorrow - I assume at your meeting. I will attempt to contact him and let him know we are meeting at the site. I will also let SaraJo Shipley at the City know since she will be attending as well.

Thanks!

Bruce,

I plan to be on site for the 11:00 AM meeting with Mark Ducharme and you to discuss the dredge spoils on the Panelyte Site.

Please let me know if you have any questions.

Thank you,

Mike
